

Enjoy Autumn

AUTUMN WELLBEING

Simple ways to stay healthy, happy & cosy this season

Make the most of daylight

A short daily walk provides fresh air, gentle exercise and a wellbeing boost.

Get winter ready

Clear slippery leaves, check outdoor lights and test your smoke and carbon monoxide alarms.

Keep hydrated

We often drink less as the weather cools. Water, tea and other warm drinks all help keep you hydrated.

Stay connected

A phone call, a cuppa with a friend or your regular WI meeting can brighten a gloomy autumn day.

Embrace the season

Crisp mornings • Cosy evenings • Colourful walks • Time together

From the Board

We are delighted to announce that our speakers for the **2027 Annual Council Meeting** are now confirmed!

Joining us on **Saturday 6 March 2027 at Leicester Grammar School** will be **The Bridge**, a local charity supporting women experiencing homelessness and housing crisis; **Wil Cheung**, an award-winning astrophotographer capturing spectacular images of the night sky; and **Dr Turi King**, the renowned geneticist whose work helped identify the remains of King Richard III.

We think this is a fantastic and varied line-up and are looking forward to welcoming members for what promises to be a very enjoyable day.

Booking forms have been sent to WI Secretaries alongside this newsletter. Tickets are limited, so we encourage members to book early – and we are very pleased to confirm that **ticket prices have remained the same as last year!**

We hope to see many of you there on **Saturday 6 March 2027.**

Best wishes,

Federation Chairman,

Glenice Wignall

From the House

A few friendly reminders to help us keep event bookings running as smoothly as possible.

When submitting an event booking, please make it clear whether you are **booking as an individual member or as a WI Secretary making a group booking**. The most up-to-date version of our event booking form is always available on our website, so please use this wherever possible.

If paying by **BACS**, whether payment is being made by a Treasurer or an individual member, please email wihouse@lrfwi.org to confirm that payment has been made. This allows the office to check that it has been received and allocate it to the correct booking.

Please also be aware that, for some events, the office may contact you to request **emergency contact details** if these are required and have not already been provided.

Thank you for helping us keep bookings accurate and straightforward for everyone.

Autumn Recipe

WARMING CARROT & RED LENTIL SOUP

You'll need:

1 onion • 4 carrots • 150g red lentils • 1 litre vegetable stock • 1 tsp cumin • Black pepper

Simply:

Soften the chopped onion and carrots in a little oil. Add the lentils, cumin and stock. Simmer for around 25 minutes until everything is tender, then blend until smooth.

Why we love it:

- Packed with vegetables
- Lentils provide protein & fibre
- Filling, nutritious and warming
- Perfect for batch cooking & freezing

Membership Committee

The LRFWI Membership Committee is responsible for assisting WIs with any help they require. I hope you find the following items useful. Mandy Cutler, Membership Committee Chair.

Autumn Annual Meetings 2026

Annual Meeting

With autumn Annual Meetings on the horizon, just a reminder that there is a comprehensive guide to running your Annual Meeting on My WI.

This can be found under Running your WI, Guide to Running Meetings. Please click on the following link:

<https://mywi.thewi.org.uk/running-your-wi/guide-to-running-meetings/wi-annual-meetings>

The Annual Meeting is a chance to review the previous year's programme of activities and plan for the future.

Our constitution requires all WIs to have their accounts independently examined annually in readiness for presentation to and adoption by members at the Annual Meeting. Staff at WI House allocate Independent Financial Advisers to WIs.

The WI Committee

There must be a minimum of three committee members per WI.

The WI Constitution states that:

The WI may combine the offices of Treasurer and Secretary or the offices of Treasurer and Vice President if the Federation Board of Trustees consents. No other offices may be combined.

If you are experiencing difficulty recruiting officers, remember that it is possible to share roles.

President: There are advantages to having two people share this role. Leading monthly members' meetings can be divided up to suit personal schedules. Likewise, committee meetings. Or simply allocating tasks to play to individuals' strengths.

Secretary: There may be a minutes secretary and another member who deals with emails/communications.

There is a form, issued by the NFWI - available on the LRFWI website under Running a WI - for recording the minutes of members' monthly meetings. Get members to help complete this – a rota?

Can another member take on the administration of County Events when members don't want to deal directly with WI House?

Treasurer: Can an assistant treasurer help by collecting monies (for WI trips/events). Collection of the annual subscriptions?

I hope this is useful, but please get in touch with your WI Adviser if you need further help.

The WI Magazine

WI Life has evolved into The WI Magazine.

This new magazine is produced by the NFWI and published four times a year - in June, September, November, and March, each issue introducing the new season.

There are new regular pages, including a WI advice panel, in-depth interviews with members about their own WI, and a section on how to live a more sustainable life.

As part of your membership, you will receive copies of this magazine each year, delivered through the post.

Leisure Committee

Over the last few months, we have tried several new activities, all of which have been very well received.

Our rifle shooting event in July was enjoyed by everyone and included an unexpected opportunity to try archery.

In August, we organised a Charity Shop Challenge. Participants were asked to find an item in one of Melton Mowbray's many charity shops that was either useful or useless, with a maximum spend of £2.00 per item.

We began the morning with coffee, kindly provided by members of the Melton Mowbray WI. After explaining the rules, participants set off with shopping bags and competitive spirit. They did not disappoint, returning with some very amusing entries in both the useful and useless categories.

The winner of the useful item category was Jackie from Quorn WI, who found a pretty and practical notebook. The winner of the useless item category was Helen from Scaford WI, with a miniature beer mug.

The ladies then helped themselves to tea, coffee and delicious cakes provided by Melton Mowbray WI.

We received lovely comments about how much everyone enjoyed the morning, along with requests to know when we will hold the next one.

2027 Diary

Thank you to everyone who placed an order for a **2027 WI Diary** through the Federation. Our diary orders are now complete.

If you missed the opportunity to order with us, don't worry! **2027 diaries are still available to purchase directly from the online WI Shop.**

A lovely way to keep all those important dates – and WI events! – in one place throughout the year.

Monthly Draw

Congratulations to our August Monthly Draw winners!

August 2026

1st Prize - £25—Audrey Crowe—Cossington WI

2nd Prize—£15—Emma Starsmore—Ketton WI

3rd Prize £10—Susan Percival-Simmons—Ketton WI

Thank you to all of the members who have supported the Federation by buying a Monthly Draw ticket!

Secretaries/Treasurers—Don't leave your booking until the closing date.

You can add to the booking by phone at a later date if further members want to attend.

If you want to book as an individual, use the booking form on our website under: [Federation Downloads](#)

—email the form to wihouse@lrfwi.org or call 0116 2661342.

If you are paying by BACS, please notify finance@lrfwi.org once payment has been made.

Please note that cancellations after the closing date cannot be refunded; however, your place can be transferred to another member.

Please do not turn up to events without a confirmed booking from federation

If you want to book with your WI, please contact your Secretary or Treasurer

Competitions

Margaret Johnson Trophy— Writing challenge, £1. Deadline 26th February 2027

Edith Buckley Trophy—Poetry competition, £1. Deadline 18th February 2027

Entry forms and details are available on our website alternatively, contact wihouse@lrfwi.org for a copy.

Around the Counties

Nailstone WI

Our May & June speakers were on the more serious side.

Becky, from the charity Saffires, talked to us about women who sell sex. Saffires support these women without judgement and with care that meets their emotional, spiritual and practical needs. An eye opening talk.

Two ladies from Women's Aid Leicestershire talked to us about the refuges they run and the support they offer to victims of domestic abuse.

In both cases our members brought along donations of toiletries, bedding, food & other necessities to donate to the charities.

Eleven members were involved in Ashby Show in both collective competitions as well as individually.

Our Craft & Cookery entry won the SG Joyce trophy, and Shelley's Black Bun won Outstanding Cookery Item. Between us we gained 9 individual awards in Photography, Cookery and Floral Art.

Hilary has taken on the mantle of Chief Steward and did a great job.

Our July meeting was a Social with tasty treats, a quiz and skittles.

Great Bowden WI

For our June meeting, we welcomed local florist Jenny Allsop, who showed us how to make corsages. Jenny explained the difference between corsages and buttonholes before demonstrating how to combine flowers and foliage using wire and tape. Members were pleased with their creations and proudly pinned them to their clothes.

Later in the month, our Birthday Outing took us to beautiful Rutland Water. After arriving at Normanton Park Hotel, we enjoyed a drink in the garden before travelling to the Harbour Café for lunch. We then boarded the Rutland Belle at Whitwell for a pleasant cruise, enjoying a welcome cooling breeze on a hot day.

Our July meeting featured a reading of "After the Flags and Bands" by Alan Williams. Sarah Stringer narrated while Committee members played four women meeting during the First World War, sharing how their lives were affected by events – meetings not too dissimilar from our own WI gatherings!

Coleorton WI

On Wednesday 1st July, Coleorton WI welcomed 47 members to the Beaumont Centre. Following Jerusalem and thanks to Lynne for the flowers, business was discussed, including upcoming activities and events. The Christmas trip to Haddon Hall has proved so popular that an additional date has been suggested.

Members were reminded about the August meal, which traditionally replaces the formal monthly meeting.

Our speaker was Ginette Brookes from Silver Swans, who spoke about the health benefits of dance and keeping fit. Ginette teaches ballet and tap to adults aged 18 to over 80 and assured us that anyone can take part. Members joined in with some seated exercises and short sequences, with plenty of amusement as we worked out our left from our right!

Ginette judged the theatre programme competition before the raffle was drawn, and members finished the afternoon chatting over refreshments provided by the rota members.

Hinckley Hollycroft WI

Michelle had us laughing at our July meeting when she brought out the essential equipment we needed at the end of her demo for flower printing! It was a very different meeting for us although any passers-by must have been wondering what on earth the WI was up to in the church hall this time. No-one can say we are not adventurous! Michelle is an excellent speaker with oodles of patience for the less artistic among us. We really enjoyed her visit.

Cossington WI

We've had a busy time at Cossington WI.

We welcomed Jool Davies to our Members Meeting helping us to be creative. Members really enjoyed their creativity and realised they had hidden talent.

Our extra event organised by our Social committee involved a trip to Cambridge which was a very wet day but some members still had a great time even

went on a punt on the river. Others did a tour of the college.

Around the Counties

Thurnby Bushby WI

Kwik Fit Ladies car safety evening.

A group of 6 members attended a ladies car safety evening at the Uppingham Road branch of Kwik Fit. We were given a demonstration of the routine safety checks to carry out on a car and shown how to check tyres for wear. They explained to us the importance of the correct tyre pressures and where to find the recommended pressures for different loads. We also had the opportunity to ask questions. We all felt that it was a very worthwhile evening and would recommend it to other WI's.

Illston on the Hill WI

'The Secret Garden' could aptly describe the beautiful setting for our WI annual garden party this summer. We were guests of committee member Jane Shute, whose secluded garden was completely hidden from the road.

Entering through the garage, we discovered an enchanting garden with a waterfall leading into a large pool of exotic fish, colourful plants, fruit trees, vegetables and even hens overlooking the fields. It provided a wonderful setting for our supper, with dishes and drinks provided by members.

An additional treat came when Jane's partner, John, shared his love of miniature railways. He showed us his incredible working model, featuring trains and trams travelling through a detailed townscape of handmade shops, pubs, businesses and a railway station, all complete with working lights – even the fire engine had a flashing blue light!

It was a magical evening, and our thanks go to Jane, John and the committee.

Hinckley Canalside WI

Ginny Davis was our speaker at our July meeting. Her talk was about the mysterious death of Amy Robsart. Amy was the first wife of Robert Dudley. She was 28 years old when she was found dead at the foot of a staircase in Cumnor Place, Oxfordshire, on Sept 8th 1560. A coroner's inquest concluded that her death was an accident, but the circumstances of her death have been the subject of debate among historians, with 3 main theories dominating: accident, murder or suicide.

Ginny went into a lot of detail about each possibility and then at the end, we had to vote on one of them. The vote was a tie as 14 members voted murder and 14 an accident - the rest voted for suicide.

It was an interesting talk and everyone enjoyed hearing about it and participating.

Wymondham WI

Wymondham WI has been going from strength to strength, and we have been delighted to welcome several new members over recent months, boosting our numbers.

Our programme secretaries have organised a varied selection of talks. Rebecca Spilane from Leicestershire Police spoke about fraud, vulnerability and protection, sharing useful information about the ever-changing tactics used by scammers. Heartwize also provided Basic Life Support and CPR training, ensuring members know how to respond to a cardiac arrest.

In June, Barbara welcomed us to her beautiful thatched cottage for a cream tea in her garden, complete with homemade cakes, scones, cream and strawberries.

Other talks have included Colin Lukas-Winn sharing fascinating wartime stories and Caroline Aston presenting "One Queen, Two Duchesses – Elizabeth II, Wallis Simpson and Meghan Markle".

There is plenty more to look forward to, including a trip, coffee morning, local walks, monthly meetings and, dare we say it, Christmas lunch!

Whissendine WI

After the singing of Jerusalem and this month's official business, Joy gave a short talk about a truly inspirational woman, Marie Curie. She is known for her work on radioactivity and was the first woman to win a Nobel prize, the first person to win a Nobel prize in two different categories and she and her husband, Pierre, were the first married couple to win a Nobel prize.

We then welcomed back Rachel of Prickleback Urchin Hedgehog Rescue. Five years ago we were the first WI group she ever spoke to and so we were really interested to see the changes that have seen her moving from crates on the dining room table to purpose built air conditioned sheds in her garden. They have recently taken in five hoglets who lost their mother. They have to be hand fed every two hours by dropper, day and night, all this and Rachel and her husband work full-time too. Fortunately they have a couple of trained volunteers who can help out when necessary. Rachel

assesses every hog that comes in to the rescue, often staring for hours down her microscope at poo samples, always the best way to work out what is wrong! It is a costly business and they rely very much on donations from kind people. She has an Amazon wish list if anybody wants to buy them something and she has recently been given charity status so she can now apply for grants.

It was so lovely to have Rachel come and talk to us again, to hear her talk so enthusiastically about hedgehogs it is obvious how much she cares for these endangered creatures. By the way, the name Prickleback Urchin was what her grandad used to call them!

Around the Counties

Glenfield WI

Despite the extremely hot weather, Glenfield WI members arrived at our August meeting equipped with handheld and freestanding fans, creating a slightly cooler environment for the afternoon.

Our speakers were Peter Read and Rosemary from Take Heart Leicester, an adult cardiac patient support charity based at Glenfield Hospital. Having both been cardiac patients themselves, they spoke about the support the charity offers through regular meetings and social events. Funds raised are used to benefit patients and visitors, from providing comfortable seating to purchasing specialist equipment for the hospital.

The afternoon concluded with refreshments and the opportunity to browse our popular preloved jigsaw and book table.

Looking ahead, September will see the return of Carolyn Boulter for an afternoon of festive crafting, when members will make Christmas Tree Bell decorations. Visitors are always welcome. October's Annual Meeting will provide an interesting opportunity to learn more about how the WI operates behind the scenes.

Broughton Astley WI

Broughton Astley WI have had a fun social August. A large group of us met for an evening of long alley skittles and supper at a local pub, The Red Admiral. Some of us are more accomplished than others and our overall winner was Helen. Our August speaker cancelled due to a health issue but Vikki Johnson from Severn Trent was an interesting substitute. We had a lot of fun pulling strange objects, including a set of false teeth, out of a make believe sewer!!! We learnt many more serious facts and about Severn Trent's proud record of not having imposed a hosepipe ban since 1995. A social trip on the Community Bus was made to Ann Hathaway's cottage near Stratford. It was interesting to learn Ann was 26 when she married the 18 year old Shakespeare. We had a tour of the cottage, however the garden was not at it's best due to the weather. There is also an orchard of heritage apples and a sculpture trail linked to Shakespeare's plays. Our Craft Group continues to meet once a month and this time they made sensory cushions for the Bodie Hughes Foundation who help the Families bereaved of a child.

Nailstone WI

Our Summer trip this year was to the National Memorial Arboretum at Alrewas. Most of us found the Land Train was best way of taking it all in.

We found the WI bench and Kathy kindly posed for a photo.

Although very poignant at times, we all enjoyed our visit.

New Barkby WI

At the beginning of June, 12 New Barkby WI members enjoyed a long-awaited canal boat trip with The Baldwin Trust. The four-hour journey from Leicester Marina to just beyond Cossington Junction offered beautiful scenery and wildlife. Members brought picnics, with

tea and coffee provided on board.

At our July meeting, President Dawn Haynes welcomed members before Jerusalem, business and notices.

Our speaker, Suzi Felstead, gave an interesting talk on "What it Means to be a Magistrate". Having served for 28 years, Suzi explained that approximately 97% of offenders appear in court, usually at their local Magistrates' Court, and around 90% of cases are drug related. More serious cases may be referred to the Crown Court.

No legal qualifications are required to become a magistrate, with people from many backgrounds able to apply. Suzi enjoys the role, where every day brings different circumstances while delivering fair and unbiased justice within the local community.

North Kilworth WI

North Kilworth WI held their summer tea in August on the only day it rained! We quickly changed plans and managed to secure the village hall as we usually do it at a members house.

A gorgeous assortment of savoury and sweet treats were served and plenty of tea to drink.

A very enjoyable afternoon was had by all.

Around the Counties

Witherley WI

Both our July and August meetings were well attended, with members also enjoying several summer outings, including a St Giles Hospice lunch, an open-air performance of 'Anything Goes' at Kilworth House and a day trip to Harvington Hall.

Our July speaker was Paul Taberner, who gave a fascinating insight into the Real CSI, explaining how crime scene investigations develop. Drawing on his experience as a Senior Investigator, Paul shared interesting and amusing stories and spoke about advising TV programmes including Silent Witness and Dangerfield.

August brought a delicious Fish and Chip Supper, followed by a Crazy Horses WI Race Night. The room was filled with cheering and laughter, with congratulations to winners Pauline R, Nina M, Pat F and Alison T.

Members can now look forward to our 60th Birthday Party, a St Giles Murder Mystery and the Federation Autumn Lunch, while volunteers are also supporting the Witherley Church Duck Race

Swannington WI

At their August meeting, Swannington WI welcomed Jane from Canine Partners and her assistance dog, Frankie.

Jane explained how puppies begin their training from an early age, living with puppy training volunteers from eight weeks to around fourteen months. They learn core skills before progressing to formal training, including opening doors, retrieving items, pressing buttons and becoming comfortable in busy public places.

Each dog is carefully matched with an applicant before they complete a two-week residential course together. Canine Partners then provides support throughout the dog's working life and retirement.

After snoozing quietly during Jane's talk, Frankie demonstrated his impressive skills. He retrieved a TV remote, mobile phone and even a five pence piece, as well as collecting shopping items, opening doors and removing items from a fridge.

Frankie finished the evening socialising with members, leaving those with dogs at home joking that theirs needed to "up their game"!

Loughborough Ladies WI

August was a busy month for the Loughborough Ladies. For the monthly meeting, the Ladies donned their posh frocks and fancy hats for a Ladies Day at Ascot party. We enjoyed strawberries and cream, cupcakes and fizz. Our racing knowledge was tested

with a fun quiz, we had scratch cards, a raffle and seriously daft games. It was a very enjoyable evening.

We also had a grand day out. We meandered along the waterways on a canal boat from Loughborough to Normanton on Soar. There we enjoyed a pub lunch before the gently paced journey back. Relaxation, gorgeous scenery, a good lunch and best of all, excellent company made for a great day out. Our thanks go to the Peter Le Marchant Trust.

Leire WI

On the hottest day of August, we braved the sunshine and went to Lichfield. We visited the cathedral where amazing art and floating whales were on display. Some members visited Erasmus Darwin's garden also in the close and others went for a stroll into the wonderful parks close by.

We went on to have lunch at the National Memorial Arboretum and a gentle tour round the memorial grounds via the land train.

In spite of the heat every one had an enjoyable day.

Barrow Upon Soar WI

For our July meeting, we held a Scavenger Hunt around the local area. On an incredibly hot evening, five teams set off armed with fans and water to solve a mixture of clues about Barrow's past and present, cryptic anagrams and a picture round that prompted plenty of "I didn't know that was there!" comments.

Our creatively named teams included 'The Whole Sleuth & Nothing But the Sleuth', 'All Aboard the Clue E II' and 'The New sCAVENGERS'.

A sixth, non-walking team, 'The WI nner Takes it All', remained indoors. Their challenge was to bring items from home spelling SCAVENGER, with extra points for originality, as well as solving their own clues.

Once everyone returned, we enjoyed more much-needed water and delicious cakes provided by our WI bakers. President Clair Andrews closed the meeting by thanking everyone for making the effort to attend despite the heat.

Around the Counties

Leicester Ladies WI

The WI resolution for 2025 was 'Bystanders Can Be Lifesavers'. There are over 30,000 out-of-hospital cardiac arrests each year in the UK, with fewer than one in ten people surviving. Women have a lower chance of survival than men, but early CPR and defibrillation can more than double someone's chance of survival.

WI members can support the campaign by building confidence in performing CPR and improving awareness and access to automated external defibrillators (AEDs).

Leicester Ladies WI recently did just that with training from Leicestershire Community First Responders (LCFR), volunteers who respond to medical emergencies on behalf of East Midlands Ambulance Service.

Following a talk about their work, CPR and AEDs, members had the opportunity to practise CPR on mannequins and try using defibrillators. It was an interesting and worthwhile session, giving members valuable practical experience.

We can all support the campaign by checking which defibrillators are registered locally and encouraging organisations with a device to register it.

Recommended defibrillator registers are:

The Circuit: <https://www.thecircuit.uk/>

Defib Finder: <https://www.defibfinder.uk/>

Botcheston WI

This year Botcheston WI is celebrating its 20th Anniversary. To celebrate this milestone we held an afternoon tea on Wednesday 29 July at our home – Botcheston Village Hall. We invited past members and representatives from WI House. After a lovely tea with all the usual goodies aplenty (and prosecco) we were entertained and informed

by Lesley Smith – Historian, who was curator of Tutbury Castle from 2000-2024. She is renowned for her lectures in the character of some very famous women, including Elizabeth I and Katherine of Aragon – for this event Lesley was Florence Nightingale in which she was in full costume of the period,

petticoats, corsets, the lot! She must have been very hot at it was one of the hottest days of the summer. Here are a few pictures from the afternoon.

Coleorton WI

Our August meeting was our annual meal out and not a traditional meeting as such. It was held at The Priest House in Castle Donington where we enjoyed a delicious two course meal and lots of chat and laughter. Val organised and arranged flower decorations for each table and Jane organised a quiz which was very well received especially as it was all about identifying different types of chocolate bars!
